DCI SECURITY COMMITTEE  
MONTHLY ACTIVITIES REPORT  
MARCH 1980

1. The Security Orientation for Senior Officials, prepared by the Committee's Security Awareness Working Group, was reproduced for distribution to Community agencies after review and approval by senior DCI assistants and by the DCI. The Director stated his strong support for the use of the presentation, and his willingness to recommend it to top government officials and their staffs. (U)

2. Following NFIB review and approval, the DCI signed a Committee developed annex to DCID 1/14 providing guidelines for Community use on adjudicating the results of personnel security investigations for access to SCI. Copies are being printed for Community distribution. (U)

3. The Committee's Investigative Standards Working Group met to review, discuss and revise the conclusions and recommendations of a survey report on personnel security investigations conducted by Community agencies. (U)

4. A Committee working group completed the first draft of a revision of the 1973 USIB Uniform Physical Security Standards for SCI facilities. The revision updates specifications for vaults, window bars and doors; telephone and intercom systems; security alarms and sound attenuation. (U)

5. The Attorney General and the DCI approved security procedures governing assistance that communications common carriers are required to provide the Federal Government under the Foreign Intelligence Surveillance Act. The Committee staff contributed to development of these procedures. (U)
